

Your uniform Direct to parents Available Online

PB Parents Online is an online ordering system from Price & Buckland that offers parents a brand new way to order school uniform for their children. It's a simple and effective method whereby parents purchase uniform directly from Price & Buckland, easing your school's resources and providing a fuss-free solution to uniform ordering.

How it works

1. You select the garments from our wide range of co-ordinating uniform and sportswear styles and we set up an online account for your school.
2. Parents visit the PB Parents Online website directly or via a link on your school's website to create their own account and login details.
3. Once logged in, parents can purchase any uniform authorised by your school. They can pay by debit or credit card and check their order history at any time.
4. Uniform can be delivered to a home or work address within 3-5 working days for a charge of £2.50. Alternatively, individually bagged orders can be delivered to your school free of charge. Deliveries to schools are made on the second Monday of every month and the cut off date for order acceptance is the first Monday of every month.
5. Parents who don't have immediate access to a computer can place orders by post.

Benefits

Easier for schools:

- Simple, fast set up.
- Saves you time and resources.
- Ensures consistency and quality.
- Allows you to create a bespoke uniform of approved garments.
- Our telephone support deals with queries and requests from parents.
- Schools have the option to take a commission from sales.

Easier for parents:

- Convenient, fast and easy to use. 24 hours a day, 7 days a week.
- Uniform available in school for sizing.
- Great value compared to retailers.
- Choice of delivery to home, workplace or school.
- Secure payment.
- Intelligent stock control monitoring so items are always available.
- Free order forms in school for parents without internet access to place orders by post.

Same Price & Buckland quality you can trust:

Over 50 years experience as one of the UK's leading school uniform manufacturers and suppliers.

Our renowned personalisation service allows you to tailor uniforms individual to your school and its needs.

Wide range of co-ordinating uniform and sportswear that pupils like to wear.

Commitment to making quality uniforms that parents can afford and governors and staff are proud of.

We believe in social responsibility and work hard to ensure fair working practices and a reduction in our carbon footprint.

What our existing customers think...

“ I've been using PB Parents Online for two years now. I couldn't be happier, and the parents love it too. ”

Alison Hope - PA to the Chief Executive
Nottingham Academy.

“ The parents just go to the link on our school website and I don't have to get involved at all. ”

Mike Boys - Assistant Head Teacher
Denefield School.

Returns Policy:

Garments can be returned within 14 days of receipt for a refund by using the pre-addressed returns label on the delivery note, attaching it to the parcel and returning through the Post Office. Parents will need to pay the postage.

Faulty garments will of course be replaced or credited. Parents can contact us by email, and we'll deal with the complaint in the appropriate manner. If we require the return of the garment(s) the postage is free of charge.

Free samples:

To keep returns to a minimum, schools are provided with a full set of garments in every size, free of charge. These should be made available for pupils to try on at the school so they can determine the correct size prior to ordering. A size chart is also provided on the website.

Stock availability:

Price & Buckland constantly monitor uniform stock levels to avoid shortages. However, due to differing ordering patterns and requirements, there may be occasions when we run out of stock. All available items are posted and any item(s) that are out of stock are delivered free of charge once they become available. Parents are charged when garments are dispatched.

School commission:

Some schools may wish to take a commission from online uniform sales. Commission can be gained by increasing the online prices, i.e. by either 50p or £1.00 per garment, depending on your school's requirements, and is paid annually.

Let's get started!

Email sales@price-buckland.co.uk or call **0115 964 0827** and we can answer any questions, discuss your uniform requirements, arrange samples and set up your account.
